- **DevOps & Technical Skills:** Version Control (Git), Linux (Ubuntu)

CERTIFICATIONS

- **Responsive Web Design**, FreeCodeCamp | June, 2021
- **The Complete HTML**, Udemy | April, 2025
- **GIT, Gitlab, Github Fundamentals For Software Developers**, Udemy | April, 2025

WORK EXPERIENCE

Assistant Technology Officer

El Kratos Embassy, Ilorin, Kwara State | March 2025 - January 2026

- Spearheaded the digital transformation of the organization's online presence by removing outdated content, updating team images and titles, and replacing the incorrect logo with the official El Kratos Embassy branding—ensuring consistency and professionalism across platforms.
- Implemented a Headless CMS using Sanity.io, enabling flexible content delivery across multiple platforms and streamlining the management of blog posts and sermons.
- Facilitated the migration from WhatsApp to Google Chat by analyzing data consumption patterns and optimising communication workflows for better efficiency.
- Contributed to the setup of Resend for email communications, enhancing outreach capabilities and improving internal messaging systems.
- Conducted research into Microsoft 365 nonprofit offerings to support operational needs and

improve digital infrastructure.

- Refined website design by adjusting content sizes for improved readability and user experience, aligning the site's layout with modern accessibility standards.
- Collaborated with leadership to ensure that all digital assets accurately reflect current roles, initiatives, and values of the organization.

Web Development Volunteer

Noor's Path, Ilorin, Kwara State | October 2024 – Present

- Contributed to the development of the organization's website, supporting its initial setup and content structure.
- Manage the organisation's LinkedIn page, including drafting and scheduling posts to enhance visibility and engagement.
- Collaborate on content strategy for Instagram, providing input on post themes, messaging, and timing to align with the organization's mission and audience.
- Participated in outreach programs on the International Day of the Girl Child (twice) and the International Day of the Boy Child (once), delivering motivational talks and engaging with students to promote empowerment and education.
- Assisted in coordinating school visits, including identifying and securing the most recent school venue for outreach activities.
- Participated in events, interacting with students and promoting the organisation's mission.
- Collaborated with team members to achieve organizational goals.

EDUCATION

B.sc in Computer Science

University Of Ilorin, Ilorin | Expected Year of Graduation, 2027.
